DIXIE TAKES CHARGE!

VITAL STATS:
This voluptuous, Latin flower was born just 19 short years ago in Tijuana, New Mexico. She currently lives with her mother and sister in *San Diego*.

LIKES:
To rebel against the "Fake American perception of beauty." Toothpick women do not fly in the Latin culture. A real woman should have curves...and boy do I have them...don't you agree?

DISLIKES:
"The brain-washed local boys who think beauty is a low number on a bathroom scale. You like what you see, right? So then call me!"

Alektra is nothing short of amazing. This big-boobed brunette has taken the porn world by storm, even earning a "Favorite Rookie of the Year" award at last year's inaugural F.A.M.E. Since her 2005 entry into the XXX game, Alektra has made about 100 movies and we're wishing for at least a few hundred more if those are any indication of her hotness!

CARNAL CAMERA

Our roving photographer was reminded recently how quickly time flies. He's known Bobby, the son of a colleague, for years. Now, many years later, Bobby's all grown up, a handsome, strapping sophomore at a local university, coming to his "uncle" for a favor: There's this coed in his dorm named Cherry who's so crazy about him that she's willing to do anything—anything—if he'll fuck her. She said she'd even fuck his buddy Charlie if that is what it took. Plus, she'd even let Bobby bring along a photographer. That's how badly Cherry wanted to fuck him. "So what do you say?" Bobby asked. "You can take all the pictures you want. Cherry said she'll sign whatever papers need to be signed. In fact, when I told her I might bring along a professional magazine photographer, she got all excited. I think she might be an exhibitionist!"

What can a favorite 'uncle' say to a plea like that? Besides, if Cherry was as horny as Bobby said she was, she might have a future as a model!

It was a quiet Saturday at Cherry's dorm room when Bobby, Charlie, and our photographer showed up. Cherry's roommate had gone home for the weekend, so they had the place to themselves. Our man was worried that Bobby had overstated his case about Cherry's willingness, but the moment he met her he knew she was a natural party girl with a taste for wild sex. Cherry was not only beautiful, but also uninhibited. When he handed her a standard model release, she merely glanced at it before signing her name. "Does this mean I'll be in a porno magazine?" she asked. "Yes," our man told her. Cherry lit up. "Cool!" she exclaimed. "Let's fuck!"

Cherry was in such a horny hurry to get at Bobby and Charlie that our photographer had to scramble to get his camera gear out of his bag!

Well, Cherry, we hope you don't regret your crazy day with Bobby and Charlie. Whether you like it now or not, this is your national sex debut!

As he started snapping shots of Cherry stuffing her mouth with both cocks, our photographer marveled at how mainstream porn has become in the past ten years. Now even respectable, middle-class coeds at top universities are willing to be photographed having sex. Of course, it also has a lot to do with the new feminism. If guys can have all the sex they want without embarrassment, why can't girls do it, too? Why can't Cherry enjoy as many guilt-free orgasms as she pleases? Besides, if anyone doesn't like it, they can go fuck themselves, right?

DROPPIN' LOADS!

Kate Frost,
Holly Morgan
& Nick Manning

— Jennifer & Derrick —

EVERY GUY'S DREAM!

Jennifer Dark is petite and perfectly proportioned, with an otherworldly beauty that makes other girls look like tomboys. But what makes Jennifer really special is her desire to cater to every male fantasy, no matter how extreme. She knows that a girl with her stunning looks and style doesn't have to spread her ass cheeks for a good butt-fucking, or grovel on her knees, or swallow every load of cum that squirts into her mouth. But Jennifer's primary thrill is getting so down, so dirty that men will gasp, "I can't believe a girl that beautiful is willing to do *that!*"

23780

Let's face it, if you suddenly found yourself alone with this gorgeous piece of ass right now, the first thing you'd do is pinch yourself to make sure you weren't dreaming. You'd tell yourself, I'm not really licking this juicy pussy and feeling her black nylons against my ears and hearing her soft moans. Or, those aren't really her full red lips making my cock disappear as her dark eyes gaze up at me in total rapture. And that's not really the volcanic heat of Jennifer's mouth that's making me cum!

You may discover that your dream with Jennifer isn't going to be as easy as you think. Yes, she'll lick your ass and suck your balls and fuck your brains out, but Jennifer expects you to do more than lie there. When she spreads those long legs, she'll pull your face against her pussy and order you to lick it deep and hard. Then she'll raise her thighs and tell you to tongue-flick her little brown-eye—again as hard and as deep as you can. And when it's time for fucking, she'll start on top and work her slim hips and tell you to meet every thrust, even if it kills you. If you can get past those first few minutes, she'll want to ride you for an hour until your balls can't take it anymore. From then on, it's up to you. Will you fuck her doggy-style? Will you fuck her ass? Or will you dangle your balls on her chin and slide your cock down her throat until you shoot every last drop you have? Take your pick. After all, as Jennifer will tell you, it's your dream, right!

CARNAL CAMERA

It wasn't that long ago when men's magazines and porn movies were for guys only. If you had fuck books and X-rated videos lying around the house, you hid them whenever a girl came over because you didn't want her to think you were a slimy pervert. But nowadays, thanks to the mainstreaming of porn, even so-called nice girls are curious about VELVET and Stormy Daniels DVDs. Take Lisa, for instance. She can't keep her hands off her neighbor Leslie's collection of smut. She's always curious about the girls, complimenting their beauty, and wondering what it must be like to be a porn star. So one day Leslie called her bluff. "I have a photographer friend who shoots these girls for magazines, and if he thinks you're pretty enough, he'll come over here and shoot us. What do you think?" Well, it was the "if he thinks you're pretty enough" that closed the deal for Lisa. "Bring him over," she said defiantly.

So Leslie called our roving photographer, who happens to be a friend of a friend, and said he had a slutty brunette who'd like to do porn!

Our dirty photo specialist can't resist the opportunity to bring a pretty girl into the business, so he made the date with Lisa and Leslie. When he arrived at Leslie's that evening, Lisa was timid at first and almost backed out, but when our man showed her his portfolio (which included a couple of girls she admired, including Ms. Daniels), Lisa warmed up to the idea of taking off her clothes and showing the camera what she can do. "Do you think I have what it takes?" she asked. "We'll see," our photographer answered.

It took a while for Lisa to lose her nervousness, but our photographer was patient with her!

What most people don't realize is the importance of the photographer's "bedside manner." It can make all the difference in the world—and that's why our roving photographer is so good. At once both invisible and encouraging, he knows how to build a girl's ego with just the right words while he's shooting her. He makes her feel like the most beautiful girl in the world. He makes her feel like a sex queen with the sweetest pussy and the hottest mouth that any man has ever experienced. By the time he's halfway through the shoot, Lisa has forgotten that he and his camera are in the room, and that's exactly the way he likes it.

Only after Lisa has swallowed Leslie's cum does she realize that her naked desires have been captured for posterity. But she doesn't care!

— Sophie Dee & Aaron Wilcox —

SOPHIE'S CHOICE

Welsh porn star Sophie Dee is an immigrant whom Americans have welcomed with open arms. Since arriving in this country three years ago, the 24-year-old filth monger with the sparkling blue eyes has performed in nearly 200 movies, including such no-holes-barred epics as *Elegant Angel's Blow It Out Your Ass* and *Hush Hush's Monster Cock Fuckfest #5*. But when VELVET asks Sophie what kind of magazine layout she'd like to do, she tells us, "I want something classy, really posh, but rather down and dirty as well. And a beautiful cock with a nice looking man attached to it."

When Aaron shows up at our studio, everyone can tell that Sophie is pleased. She can't keep her gorgeous, hungry eyes off him. "I'm such a blowjob queen that once I get that beautiful cock in my mouth, I'm going to forget to take it out again," she tells the photographer. "So please, don't let me just suck him off the entire time. I want to feel that big cock deep inside my pussy as well!"

With gentle prodding from Aaron, Sophie removes his cock from her hungry mouth long enough to lick his balls and spread her pussy for him in several different positions.

And then, when Aaron starts fooling around with her ass, Sophie totally forgets her oral fixation. The way she keeps pushing her big globes at him, he has no choice but to concentrate all his energy on satisfying her anal craving.

Sophie is clearly a bundle of sexual neediness, demanding that Aaron satisfy each orifice. But when it's time for the cumshot, she reverts to her oral obsession and doesn't stop until she sucks his balls bone dry!

A slice of Italian cheesecake!

Review by Irv O. Neil, Editor

Feminine beauty is something to be savored for its own sake, just because it makes us feel good. And it is particularly enjoyable to contemplate beauty in the form of "cheesecake" photos.

Ye ole editor loves the models of the past as much as those of the present, and I recently picked up a vintage Italian movie magazine, *Mascotte*, dated 4/30/59, and found it pleasingly packed with the gorgeous gams of some of the top Hollywood and Continental celebrities of years gone by.

I can't speak Italian, so my understanding of the words was severely limited, but after perusing articles obviously devoted to upcoming movies and beauty contests, I simply let my eyes soak in the images of gals like Claudine Longey, Noelle Adam, Brigitte Bardot, Martine Carol, Eunice Mather, Jayne Mansfield, Rhonda Fleming, May Britt, and Christine An-

derson. Some of the names were quite famous in their day, others less so, but all of the pictures in *Mascotte* captured their perfect pins with loving care.

Last but not least I found in *Mascotte* some excellent shots of Mylene Demongeot (seen here in both the low-cut dress and the blue bathing suit), whom you can see today in sound and motion on the Alpha Video DVD of *The Giant of Marathon*. In that sword-and-sandal flick, Mylene plays a virginal sweetheart to Steve Reeves' heroic warrior. Miss Demongeot looks great in the Greek-style shortie tunic she wears in that movie, bouncing around like an ancient history version of Britney Spears; and Steve gets to rescue her from the clutches of some truly evil baddies. If

FAQ About Xomax

- Q.** How soon do you see results?
A. Most men see results with their first dose and increasing results over 60 - 90 days.
- Q.** Are the results permanent?
A. For most men, if Xomax is taken continuously for three to four months followed by a maintenance program the results are permanent.
- Q.** How much growth can I realistically expect?
A. Up to 5 inches or more with a increase in width of 50%
- Q.** Is Xomax natural?
A. Xomax is 100% natural, safe and Doctor recommended for those looking for advanced penis enhancement, plus Xomax has no side effects.
- Q.** What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Xomax contains extremely expensive imported ingredients and many manufacturers won't spend that kind of money. Instead, they pass off less expensive ingredients, such as Ginseng or low end forms of L-Arginine.
- Q.** Is Xomax guaranteed to work?
A. Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within three months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are GUARANTEED to work! Order today—the best money can buy!

jasmine byrne

star bio

Jasmine Byrne

STATS: 36B-24-36

HOME STATE: California

YEARS IN BIZ: 6

Though she is far from a newcummer in the smut movie world, the 2008 release of *A Cum Sucking Whore Named Jasmine Byrne* (Anabolic) officially moved this spicy raunch queen to the head of the lewd lady class. Creampies, DPs, A2M and swapping jizz usually come standard in Jasmine's scenes, and her co-stars often find themselves being pushed to their limit just trying to keep up with this insatiable siren.

star bio

Cindy Crawford

STATS: 33C-25-33

HOME STATE: Nevada

YEARS IN BIZ: 6

On the surface, Cindy's petite frame, big eyes and small town girl looks might lead one to believe that she was something of a naïve virgin with morals, and a hymen, that was still intact. However, those of us that have seen Cindy getting her crazy fuck on in such XXX discs as *Monster Cock Mania* (Bone) and *Strolin' In The Colin* (Hustler) know that no deed is too dirty, and no hole is off limits to this fiery platinum-maned sex junkie.
